15 June 2020

Dear Students, Education Partners and Friends,

With COVID-19 pandemic still in declaration, and with the safety of all concern in mind, MEGA will continue to deliver our vocational courses online in Term 3, 2020 and until further notice when restrictions are fully lifted by the Australian government.

In view of the above, all vocational students; current and newly enrolled students will continue to attend all the schedule classes online using our ZOOM platform.

With the same process as Term 2, 2020, Trainers will be sending off the ZOOM log-in link to all enrolled students and we encouraged all students to log-in and study as per timetable given.

We endeavor to deliver quality education and ensure our students progress academically during this challenging time. We will continue to provide all student support services to assist students in their studies. We will continue to review all constructive feedback received in order to further improve our course delivery.

Should you have any questions or concerns over your studies, please feel free to contact us for further clarification.

Meanwhile, we thank you for your cooperation, patience and understanding during these periods of time and we will continue to review the situation on a weekly basis and will update all concern should situation changes.

Keep well, stay safe and maintain COVID-19 health protocol at all times. Together we will get out of this safely.

Kind regards,

Henry Liu
Chief Executive Officer
