- We work with Australian Education Assessment Services (AEAS)

Doris from China

High School Preparation
Gained entry to Stella Maris College

"I felt very settled at MEGA. My teachers understood my challenges as an international student and they have always supported me throughout my journey. I came to Australia with little or no English, and now I can read and write well. I have also integrated well into Stella Maris too. Thank you again for everything."

MEGA can assist you in applying for a place at the following schools:
