Course outline

MEGA's Primary School Preparation (PSP) course assists international students to attain the English level required for entry into reputable Australian Primary Schools. MEGA's Primary School Preparation program provides a safe and caring learning environment, helping each student achieve their full potential.

We use a wide variety of teaching techniques to inspire the active young learners. We are committed to meeting the needs of all our students.

Our young learners will develop the knowledge and skills necessary to be able to transition successfully linguistically and culturally into all Australian primary schools. We have small classes led by our team of experienced and energetic teachers, to support students into a smooth transition into Australian primary schools.

Our program is based on the subjects that young learners study in the Australian primary school system, with a special focus on the English language. Students will be involved in all types of exciting and fun learning activities, and their progress is carefully monitored by our teachers.

A close-up, high-angle shot of a person's hands typing on a silver laptop. The laptop is open, and the keyboard is visible. The person's left hand is on the trackpad, and their right hand is on the keyboard. The laptop is on a wooden desk. In the background, there is a small, dark-colored notebook with a black elastic band. A black pen with a silver tip is also visible on the desk. The overall scene is well-lit, with natural light coming from the left.

Camila Florez
Nationality: Colombian
Field: Marketing

"I decided to apply for an Internship Program because I want to develop my professional career in Australia and I knew this was the best option to start gaining work experience in the Australian workplace. During my internship, I had the chance to work on a variety of different marketing and PR duties such as market research, competitive analysis, marketing and promotion plans, promotional material design and copywriting. Now, after completing my internship I can say I achieved my goals in terms of stepping in the Australian workplace, of getting to know the insights of the hotel industry and complete daily tasks in a foreigner language. All in all, I enjoyed my placement, the type of work and everything I have learned!"

MEGA Student Services

MEGA provides a comprehensive range of student services and state-of-the-art facilities to ensure every student is well supported and assisted.

Wide Range of Student Services:

- Pre-Arrival Guide
- Airport Pick-Up
- Accommodation
- School Orientation
- Guardianship
- Job Placement
- Social and Cultural Activities:
 - Come and join our fun and exciting excursions!
- Study pathway advice
- We provide students with advice in preparation for their post-study life. We can give career advice as well as advice about different courses at different colleges or universities
- Legal services referral
- Student services programs (workshops)
- Counselling and referral services

We hold workshops regularly to assist our students in improving their study and life in Sydney.

We have workshops to assist students in job search, time management, exam techniques, communication careers and many more.

Excursion and events

We provide fun and exciting group excursions for our students in order to make their stay with us as enjoyable as possible.

On our excursions, students have the opportunity to visit and experience Sydney icons and attractions, like the Opera House and the Harbour Bridge and other SYdney's best kept secrets.

We also hold regular events at school to give students opportunity to practice English and socialise. Some events we have held are: international food festivals, graduation BBQs every four weeks, and afternoon tea.

All our excursion groups are kept to manageable sizes. Our Excursion Coordinator leads the excursion in a fun, informative and interesting way that guarantees a stimulating learning experience.

Accommodation

MEGA offers easy and complete homestay packages. This rate schedule allows you to find a homestay that best suits you.

Our staff can book and arrange accommodation for students. Please contact our staff for current prices and full details.

MEGA places students based on preferences and availability and matches hosts with students near their place of study.

Applications received well in advance will enjoy higher availability of hosts and closer locations to MEGA.

MEGA does not charge students additional fees to find accommodation in specific zones or locations.

Alternatively, there are other useful links to find information about shared accommodation:

Facilities

MEGA provides a modern study environment with facilities that include air-conditioned classrooms, computer labs with fast internet connection and multi-media programs, roof top terrace and Resource Centre. There are also common rooms for students to socialise and relax in, and food and drink vending machines.

Students can also access the State Library, City of Sydney Library and aquatic centres (Cook Philip and Ian Thorpe).

Application and Enrolment

Students may apply directly with MEGA or through its approved and appointed education agents. Only authorised agents, as listed on MEGA's website can recruit students on MEGA's behalf.

Deferment and Suspension

Deferment is postponement of the commencement of a course of study. It must occur prior to start of a new academic term or a study period. Deferment is usually of the course start date and granted for a completed term, allowing a student to commence or re-commence their studies in subsequent academic terms.

Suspension of studies is a temporary postponement of a course of study. It may occur at any time during an academic term or study period.

For more information, see MEGA's Deferment, Suspension and cancellation Policy at:
<http://www.mega.edu.au/policies-forms/>

Australian Qualification Framework (AQF)

The Australian Qualifications Framework (AQF) is the national policy for regulated qualifications in Australian education and training. It incorporates the qualifications from each education and training sector into a single comprehensive national qualifications framework. More information on AQF can be found at: <http://www.aqf.edu.au/>

The AQF encompasses all the education sectors in Australia including higher education, vocational education and training and schools.

Recognition of Prior Learning (RPL) & Credit Transfer

MEGA provides RPL and Credit Transfer opportunities to all students. Students may apply for RPL or Credit Transfer for an existing competency or prior learning in any of the units offered, see MEGA's RPL and Credit Transfer Policy and Procedure for more information at:
<http://www.mega.edu.au/policies-forms/>

Recognition of prior learning (RPL) involves the assessment of previously unrecognised skills and knowledge that an individual has achieved in work life, or in a formal or an informal education and training system. RPL assessment is fee-based. Credit transfer does not involve assessment and is granted on determination of equivalency between two units of competency. There is no fee for credit transfer.

Issuance of AQF Documentation

MEGA is a Registered Training Organisation (RTO) approved to issue AQF certifications to eligible students. MEGA has no other partner, either in Australia or overseas, to deliver training and assessment on its behalf. MEGA is the sole authority to issue all AQF documentation under the relevant standards and regulations.

ESOS Framework

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS Framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code 2018.

The ESOS Framework can be assessed at:
<http://www.internationaleducation.gov.au/>

MEGA Policies and Procedures

Information on MEGA's policies and procedures can be obtained from:
Email: studentsupport@mega.edu.au
Website: <http://www.mega.edu.au/policies-forms/>

Pre-Enrolment Information Pack

MEGA has prepared a pre-enrolment information pack to ensure that students have access to all the relevant information that helps you make an informed decision about enrolling with us. This pack contains all the essentials pre-enrolment information including pre-enrolment self-assessment, Language, Literacy and Numeracy (LLN) support, RPL and Credit Transfer procedures, application forms, tuition and non-tuition fees, and key policies and procedures. This pack is available on our website, through Student Services, or through our approved education agents. For more information contact:
studentsupport@mega.edu.au

Assessment Methods

MEGA will use a range of assessment methods for this course to produce valid decisions and recognise that learners demonstrate competence in a variety of ways. Assessments for this course have been designed for classroom based face-to-face delivery and assessment. Assessment methods include practical tasks and demonstrations, direct observation, written tasks, knowledge tests/quizzes, written or oral questioning.

Mode of Delivery

All the students are enrolled in classroom based face-to-face delivery mode. Under the provisions of Standard 8 of The National Code 2018, MEGA has the option to deliver up to one-third of the units in an academic term by distance, with a view to maintain academic focus and integrity, when planned. MEGA may allocate part of the units for self-study in an academic term. Self-study component will be supported by workbooks and dedicated tutorial sessions (two sessions in a term in addition to the scheduled timetable hours).
