

8 January 2021

From the Office of the Chief Executive Officer of MEGA Education:

Dear Students

Welcome back and I wish you a Happy New Year!

MEGA's Term 1, 2021 English and vocational classes will start from next Monday, 11 January 2021.

All MEGA staff will work, on a roster basis, from 9.00am to 5.00pm from Monday to Friday. Should you require to come to MEGA campus, please call us on 02-9299 6788 to book an appointment with the relevant staff to resolve any issues.

As a result of the recent Northern Beaches COVID-19 cluster outbreak, the NSW state government has tightened the restrictions imposed earlier. In view of this, MEGA's vocational classes will continue to be delivered online. However, given MEGA's English classes are relatively small and therefore safe, we will continue the face to face teaching on MEGA campus until further notice.

For everyone's health and safety, MEGA will continue to implement the following procedures and processes for all attendees to MEGA campus:

- social distancing at all times
- MANDATORY requirement of wearing face mask while on campus
- temperature checks for all attendees on campus
- to be tested for COVID-19 if one suffers flu like symptoms and self-isolate until result is known and must follow any directives of Health officers given to you at all times
- wash and sanitise hands on regular basis
- visitors must sign-in with level 9 reception staff and name and contact detail written of visitor to be noted down.

Let's work together to make MEGA and Australia COVID-19 safe for all.

Thanks for your understanding and cooperation.

Mr. Henry Liu  
Chief Executive Officer  
MEGA Education
