TERMS & CONDITIONS

Fees

For English students

- On accepting the Letter of Offer students must pay up to 50% of total course fees (duration more than 24 weeks) or
- In full (duration less than 24 weeks). Fees must be paid in order to obtain an eCoE and secure a place prior to course commencement date. For courses more than 24 weeks, the remaining tuition fees are not required until two weeks before the commencement date of the second study period of the course.

For vocational students

- On accepting the Offer students must pay the first payment instalment of tuition fee listed in the Payment Instalment Schedule in the Letter of Offer
- Fees must be paid in order to obtain an eCoE and to secure a place prior to course commencement date
- The remaining tuition fees must be paid by the due date as listed in the Payment Instalment Schedule.

Tuition fees may be paid in the form of cash, a bank draft or bank cheque, made payable to Macquarie Education Group Australia Pty Ltd (MEGA Trust Account). MEGA will not be responsible for any monies paid to an agent or third party. Tuition fees only cover the charges for tuition. Tuition fees DO NOT cover the charges for application fee, accommodation placement, airport pickup, transport, living expenses, textbooks, stationery, and equipment. Individual payment plans can be organised upon request on an individual student basis. If fees are not paid by the due date, a late fee of AUD 200.00 per instalment may be charged. Students are required to pay additional fees for, Re-assessment and Re-sit.

Cancellation & Refund Policy-Student Default

The only refundable fees are the tuition fees. Fee refunds will be based on unexpended (unused) tuition fees.

Refunds will not be provided in the event that a student fails to accurately and honestly declare their previous visa history. It is the responsibility of the student to provide truthful information during the application process. Failure to do so will result in forfeiture of fees paid.

Where an enrolment change is necessitated by illness or other exceptional and compassionate circumstances beyond the student's control and which prevent the student from completing studies in that study period, any refund of tuition fees is contingent upon approval of the refund by the CEO.

The fees and charges required to be paid to MEGA by a student will be as specified in a signed written agreement between the student and MEGA that is entered prior to the student commencing in the course(s) to which the agreement pertains.

Fees and charges may be consolidated under a "package" if the student is enrolled in more than one course at MEGA.

The types of fees and charges payable to MEGA by a student may include, without being limited to, the following:

- Tuition fees (including fees referred to as course or program fees)
- Materials fee
- Application fee
- Reassessment or unit re-sit fee
- Late payment fee or charges
- RPL fee
- Other contingency fees (e.g. lost student cards, replacement award/transcript)
- MEGA does not allow its education agents to collect any fees on its behalf. In exceptional circumstances where payments to an agent are approved and made under specific written instructions of MEGA, MEGA will treat these payments as payments made to MEGA. The following refund conditions and procedures will apply to all the fees whether paid directly to MEGA or through an approved agent of MEGA.

Full Refund of Tuition Fees

All unexpended (unused) tuition fees will be refunded in full where:

- The course does not start on the agreed starting date which is notified in the Letter of Offer
- The course stops being provided after it starts and before it is completed
- The course is not provided fully to the student because MEGA has a sanction imposed by a government regulator
- An offer of a place is withdrawn by MEGA and no incorrect or incomplete information has been provided by the student
- Student Visa is refused by DHA (Offshore Applicant or Onshore Student prior to course commencement date).

Partial Refund of Fees

Partial refunds of the amounts specified below will be provided in the following circumstances:

- Where a student formally withdraws from a course more than four (4) weeks before the CoE start date, 80% of the tuition fees paid for that term or study period and any other unexpended (unused) tuition fees will be refunded

- Where a student formally withdraws from a course less than four (4) weeks before the CoE start date, 50% of the tuition fees paid for that term or study period and any other unexpended (unused) tuition fees will be refunded
- Where a student formally withdraws from a course less than two (2) weeks before the agreed CoE start date, 25% of the tuition fees paid for that term or study period and any other unexpended (unused) tuition fees will be refunded
- Special consideration in compassionate and compelling circumstances for student who can demonstrate and must provide supporting documents/evidences where possible.

And in compassionate or compelling circumstances (supporting documents/evidence must be provided where possible) at any time where:

- A student is unable to obtain a student visa
- Illness or disability prevents a student from taking up the course
- There is a serious health issue/death of a close family member of the student
- Other special or extenuating circumstances preventing a student from taking up or continuing the course, including political, civil, or natural events, and personal well-being, will be considered on a case-to-case basis on review of the supporting evidence at the discretion of the CEO.

The candidate/student will have the right to choose whether to seek a full refund of the fees, or to accept a place in another course. If the candidate/student chooses placement in another course, MEGA will ask the candidate/student to sign a new student agreement to confirm acceptance of the placement.

No Refund of Fees

In certain circumstances, students will not be entitled for a refund of tuition fees. These circumstances include:

- Failure to accurately and honestly declare their previous visa history
- Where a student formally withdraws from:
 - A single course within MEGA
 - The first course within a packaged program comprised of two or more courses within one or more MEGA schools/institution.

After the CoE start date, the student will not be entitled for a refund and will still be liable for the tuition fee for that/current term or study period.

- Leave of absence, deferral, and suspension of studies do not entitle a student for a refund of tuition fees for the duration for which such absence, deferment or suspension were affected
- A student whose enrolment is either suspended or cancelled by MEGA for whatsoever reason during an enrolment period, including but not limited to misbehaviour or non-payment of fees to the MEGA, shall not be eligible for a refund for that term
- A Student whose visa is cancelled during an enrolment period while in Australia for any reason shall not be eligible for a refund
- A student, who supplies incorrect or fraudulent information or document to obtain a place at MEGA, shall not be eligible for a refund
- A student, who has visa refusal as a result of fraudulent or forged documents, shall not be eligible for a refund under any circumstances.

In the event where enrolment fee was waived at time of application and subsequently if student visa is not granted, MEGA shall withhold an amount equivalent to MEGA's published enrolment fee from any refunds made.

Penalties for Non-payment or Late Payment of Fees

- A late payment charge of \$200 may apply, where a student (or their agent in case of an international student) has not paid tuition fees by the fee due date notified to the student
- A student who has outstanding fees owing to the MEGA will not be permitted further enrolment (except where any Commonwealth or State legislation or code of practice provides otherwise) and will have their academic results withheld (as such will not be eligible to graduate) until the fee debt is paid in full
- A student who has not paid tuition fees by the fee due date may have their enrolment cancelled at MEGA
- A student whose enrolment has been cancelled due to non-payment of fees may apply for reinstatement of the enrolment within twenty (20) working days, commencing 3 days after the receiving of the notice of cancellation, provided the student pays in full for any outstanding amount owing to MEGA.

Ceasing Provision of Educational Services

MEGA refuses to provide, or continue providing, the course to the student because of one or more of the following events:

- The student failed to pay an amount he/she was liable to pay the provider, directly or indirectly, in order to undertake the course
- The student breached a condition of his/her visa and has received a notice from MEGA of intention to report the student to DET via PRISMS
- Misbehaviour by the student has resulted in MEGA issuing the student a letter of intention to report the student to DET via PRISMS.

Procedure for Claiming Refunds

- All refund claims must be submitted in writing via MEGA's Refund Request Form accompanied by appropriate supporting documents as specified to MEGA reception
- All refund applications must be made and signed in person by the student. Where it is not possible for a student to be present in person e.g. students residing overseas or international students, to claim a refund, the student must send a scanned copy of their signed forms to the Student Admissions Officer either by email or facsimile. On receipts of email or facsimile applications, the Student Admissions Officer will verify student's signatures on records and may also telephone the student to verify student's identity. No refunds will be made on email or facsimile applications until the time when student's identity has been verified
- All applications for the refund will be authorised by the Chief Executive Officer (CEO)
- When an amount is refunded to an international student, MEGA will provide the student with a statement explaining how the refund amount has been calculated
- A refund of fees in relation to an international student will be made in the same currency in which the fees were paid and be made to the party who entered into the written agreement with MEGA, unless that person directs MEGA otherwise in writing

- In normal circumstance, MEGA will refund the amount within four (4) weeks after receipt of the completed and signed Refund Request Form together with appropriate supporting documents
- Payments will be made to students by electronic transfer in their nominated bank accounts.

For any refund to be paid to any other person than the students, a written authorisation from the student will be required.

For any refund to be paid to any other person than the students, a written authorisation from the student will be required. Cancellation & Refund Policy-Provider Default

Refunds in situations of Provider Default are covered by the provisions of *The Education Services for Overseas Students Legislation Amendment (Tuition Protection Service and Other Measures) Act 2012* and applies if:

- MEGA does not offer a course on the advertised start date or
- terminates a course after the course start date or before the course completion date or
- does not provide a course as advertised due to sanctions by any authority or
- does not provide a course in full.

In such a case, MEGA will pay the student a refund which equals the amount of the total tuition fees paid for the remainder of the course not completed at the time of default if an alternative placement with another provider cannot be found to the student's satisfaction. Such refunds will be made within 2 weeks following the default date.
