

2027

HIGH SCHOOL PREPARATION

CRICOS COURSE CODE: 059274J

COURSE COMPONENTS

The High School Preparation (HSP) course prepares students for entry into the Australian high school system. Students can expect to cover:

- Vocabulary and content relevant to the Australian high school curriculum
- Subject-specific content for Years 7 to 12, including Mathematics, Visual Arts, ESL, History, Geography and Science
- Academic language for essays and extended writing
- Essay writing skills, complex structures, paragraphing, bibliography and referencing
- Grammar and terminology specific to high school settings
- Extra-curricular activities, including sports and cultural excursions

WHY CHOOSE MEGA FOR YOUR CHILD?

Our program goes beyond a high-standard English curriculum aimed at significantly improving your child's language proficiency. We offer comprehensive support services that include:

ENGAGED LEARNING

EXAM PREPARATION

SCHOOL GUIDANCE

LIFE IN SYDNEY

School Exam Preparation

Tailored lessons so your child is ready to excel in the school entry exams.

Professional High School Guidance

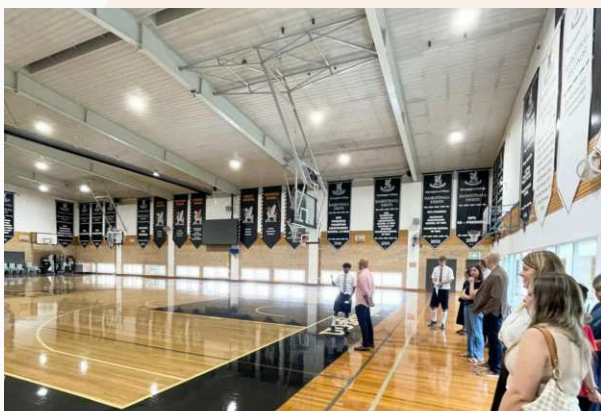

With years of experience we advise on school selection, helping parents and students choose the best-fit high school for long-term success, with the educational support and care to make the transition into a new academic journey a smooth one.

Interview Preparation

Focused training to build confidence and communication skills for school interviews.

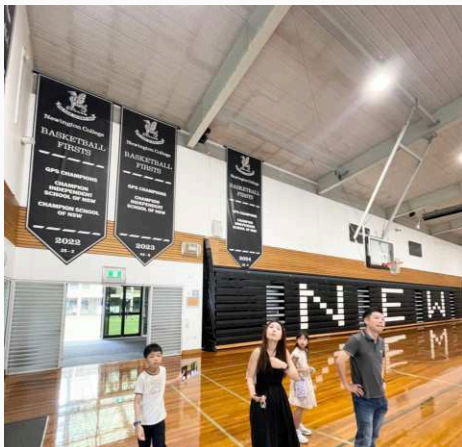

Personalised School Service

We assist in finalising packaged offers and ensure a seamless application process.
