Genuine Student Requirement Checklist

Instructions

All applicants for a student visa must be a genuine applicant for entry. They must stay as a student and be able to show an understanding that studying in Australia is the primary reason of their student visa. The GS requirement is intended to include students who, after studying in Australia, develop skills Australia needs and who then go on to apply for permanent residence.

To be granted a student visa, all applicants must demonstrate they satisfy the genuine student criterion or the genuine student dependent criterion.

MEGA Genuine Student Form and Checklist

The Genuine Student Form (GS Form) is a document that MEGA requires students to complete in order to assess whether a prospective international student passes our GS assessment.

Instructions:

1. Complete the form
2. Sign & date the form
3. Submit the completed & signed form with passport and evidence documents along with the student's application form to admissions@mega.edu.au.

Please note:

- MEGA may conduct random audits as part of our GS assessment process
- Agents must be aware that they are responsible for making a recommendation to MEGA and that recruiting a student who does not satisfy the visa requirements or referring a student who does not complete our course may result in suspension or termination of the agent agreement with MEGA
- **All answers must be written in English and with a maximum of 150 words per questions with an asterix***
